

What If

Verse 1

What if you were gone? I don't know what I'd do...I don't know where I'd go.
Like the whisper of a child, I'd hear you close to me
With all my world, I'd wish you back
(two lines instrumental)
And in my grief I'd live
Live through all that hurt
You'd be my melody
My finest memory

CHORUS

Don't You Go
Don't You Go

Verse 2

In the light from distant days, your smile would comfort me
Just to sit with you and laugh, seems like the greatest thing
From the corner of my eye, I dreamed I watched you die
Couldn't blame you even though, I didn't get to say goodbye

CHORUS

Don't You Go
Don't You Go

BRIDGE

CGAm
My Fallen Tears have cracked me open
I see your gaze like an afterthought
In this empty space, my grief reminds me that
I'm grateful for all that I've lost.

CHORUS

Don't You Go
Don't You Go

There's no replacing all that I've left behind
Starting over cannot rewind
What you left me with, doesn't seem quite fair
Can't you see I don't know what to say to you now
