

Let's Take A Ride

On this evening that I love you,
I can't believe you love me back,
It's a mighty powerful feeling, the shock of it all is carrying me.
And your smile I'd been ignoring, but no more may I die
Just to love and be loved, makes it mighty hard for me to cry

Chorus

Let's Take A Ride To the Places Where We Want To Go

When I wake up, Don't make me a dreamer.
I'd hate to feel silly in the morning. A new mystery
To discover. I'm going to make it the best thing that
I've ever done.

Chorus

Let's Take A Ride To The Places Where We Want To Go

GUITAR SOLO

Chorus

Bridge

And we are going to find our way, and we are going to find our way Home
